

Inter-UC Conference 2017 Itinerary

University of California, Los Angeles

Thank you for your interest in attending the Regents Scholars Inter-UC Conference at UCLA. Below you can find a general itinerary with scheduled events, times and locations (TBD locations will be updated as we approach the dates of the conference). To give attendants the opportunity to enjoy Los Angeles after the scheduled activities on Saturday, we will provide suggested “hot spots” in LA that we recommend participants explore.

UCLA is a large campus that requires lots of walking up and down hills and stairs, so please make sure to wear comfortable shoes and bring a water bottle with you for all conference activities. If you have any further questions, please don't hesitate to contact Lauren Su at arl@rssl.org. We look forward to seeing you in April!
